

## INVITED SESSION SUMMARY

**Title of Session: FinTech of the future**

**Name, Title and Affiliation of Chair: Dr eng. Ireneusz Miciuła, University of Szczecin**

**Details of Session (including aim and scope):**

The purpose of the FinTech session is to present and discuss the role of modern technologies in the transformation of the financial sector. The session aims to exchange knowledge and experiences between market experts, identify key trends and regulatory and technological challenges, and inspire participants to implement innovative solutions in financial institutions and startups.

**Scope**

The session covers topics related to the use of digital technologies in finance, in particular:

- innovative financial products and services,
- digital payments and e-banking,
- artificial intelligence, automation, and data analysis in finance,
- security, cybersecurity, and risk management,
- legal regulations and compliance in the FinTech field,
- cooperation between FinTechs and banks and other financial institutions,
- trends and development directions in the global FinTech market.
